Roscor Receives a Nomination for an Allied Member Achievement Award

Tampa, FL – February 17, 2010 – At the IDEA (Information Display and Entertainment Association) conference in Tampa, Florida, Roscor was nominated for an Allied Member Achievement Award. The nomination read as follows:

“Although Roscor is a fairly new Capital Allied Member, they have been working with teams for a long time. I have been impressed with their recent complete systems integrations for the Colts, Royals, Mets, and Oklahoma Sooners. Their team of engineers is great, and when given a tough deadline, they come through when others say there isn't time or make excuses.”
